

Norrisville Volunteer Fire Company

Dear prospective member,

You are about to apply to one of the most respected volunteer fire companies in Harford County. Norrisville is known for its excellence and professional demeanor in fields of operation as well as in the station. We take pride in our outstanding reputation and strive to keep it that way by attending regular trainings and keeping up on current events. Our vision is to consistently provide our services in a safe and efficient manner and be recognized by our community and our peers as a leader in fire, rescue and emergency medical services. Every person at the Norrisville Volunteer Fire Company is expected to take this job seriously and we will expect nothing less from you.

There are a lot of requirements that our members are expected to carry out in order to maintain active status in good standing with the company. These will include attending regular meetings, trainings, details, and clean-ups. We also have requirements for riding equipment which you are expected to keep current. This community trusts that when they dial 911, willing and capable people are going to arrive. Norrisville VFC has always been able to keep this promise to them and we are not willing to have it any other way.

If this sounds like something that you are prepared to embark on, please read and fill out the enclosed forms. Be sure to include everything that the application asks for, including driver's license number if applicable. Return the application to the station for the membership committee.

Upon receipt of your application, an interview will be scheduled with you and the membership committee at a time that suits all.

On behalf of the Norrisville Volunteer Fire Company, we would like to thank you for your interest in our company and we wish you the best of luck. We hope that within the next few months you too can be a proud member of this company.

Sincerely,
Holly Testerman, President
